Subject: RE: [verified] RENEWAL: Firan Technology Group Corporation (CG10910)

Good morning,

Thank you for contacting the Controlled Goods Program.

Your due date has been extended to its 5-year registration period while your renewal request is awaiting processing. Your current expiration date is **June 11, 2025**.

Please keep this email for your records. You will receive a new registration certificate with a new expiration date when your renewal is completed. However, if you are listed in the directory of people and organizations registered with the Controlled Goods Program, your new expiry date will be visible in 24 to 48 hours.

Kind regards,

Ashley Delorme
Registration Officer / Agente d'inscription
Controlled Goods Directorate / Direction des marchandises contrôlées
Public Services and Procurement Canada / Services public et de l'Approvisionnement Canada

The screenshot shows the Government of Canada website interface. At the top, there are logos for the Government of Canada and the Government du Canada, along with a search bar and a language selector for 'Français'. Below the navigation menu, there is a breadcrumb trail: Home → Business and industry → Permits, licences and regulations → Federally regulated industry sectors → Controlled goods, Examining, possessing or transferring → Find individuals and organizations registered in the Controlled Goods Program. The main content area displays the registration details for 'Firan Technology Group Corporation'. Underneath, it lists 'FTG Circuits - Toronto/FTG Aerospace - Toronto' with an 'Expiry Date: 2025-06-11'. Two contact information blocks are provided: one for 250 Finchdene Square, Toronto, Ontario, M1X 1A5, and another for 10 Commander Boulevard, Toronto, Ontario, M1S 3T2. Both locations list 'Bryan Allan Clark' as the contact person with the phone number (416) 299-4000 Ext 222.
